

INVITATION 10.07.2019

Dear Sir/Madam,

Cyberwatch Finland have great pleasure in requesting the honour of your presence at the Opening Ceremony of the World UAV Federation Finland Chapter and the Helsinki Drone Congress.

HELSINKI DRONE 2019 CONGRESS 1st of October

Hosted by

Cyberwatch Finland & 

The Opening Ceremony and the Congress will take place at Messukeskus, Helsinki on Tuesday, first of October two thousand and nineteen. Commencing at 09:00 and finishing at 17:00. Following this there will be a dinner with our distinguished guests.

The Helsinki Drone Congress brings together internationally recognized executives, leading experts, drone professionals, and manufacturers from all around the world to exchange and share their experiences. Furthermore, the Congress will serve as a platform to conduct extensive discussions relevant to the UAV Industry, enhance cooperation, and build partnerships.

Should you wish, you are most welcome to continue your stay in Helsinki and participate in Cyber Security Nordic on the second to the third of October 2019. Cyber Security Nordic is the most significant Cyber Security solutions event in Northern Europe and takes place in conjunction with the Drone Congress.

We look forward to your reply and meeting you in Helsinki.

Yours Sincerely,

HELSINKI DRONE 2019 CONGRESS 1st of October
